FISCAL NOTE

SB 1035 - HB 1513

March 24, 2023

SUMMARY OF BILL: Authorizes child care programs offered to state employees by a state agency to be located in office building leased by the State.

FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Tennessee Code Annotated § 8-50-1301 authorizes a state agency to provide child care services to its employees in state-owned buildings.
- The proposed legislation would authorize such child care programs to be located in office buildings leased by the State in addition to buildings owned by the State.
- The Department of General Services (DGS) reports that the proposed legislation will not significantly impact the Department or the Facilities Revolving Fund until an agency elects to participate a child care program.
- To the extent an agency elects to participate in a child care program in an office building leased by the State, the DGS may have to renegotiate a lease agreement.
- Any impact to state departments or agencies is assumed to be not significant.
